

What our clients say:

TREX COMPANY INC.

has been doing business with Star Fleet Filtration, Inc. for the past 10 years. Our cost for filter usage has been greatly reduced by cleaning and reusing filters rather than purchasing new. This has also reduced our landfill waste tremendously. Their service and integrity has been outstanding.

RIO BRAVO CO-GEN. PLANT, LINCOLN

The benefits of Star Fleet's filter cleaning keep stacking up over the 25 years they have serviced us. Last year, they cleaned 235 industrial filters; we saved more than \$15,000 in costs, taxes & shipping. They saved us over \$1000 on new filters we purchased.
